Schools Division Superintendent  
Division of Iloilo City

Dear **Madam DE LOS REYES**,

Warm Greetings from the Philippine Science High School Western Visayas!

PSHSWVC's commitment despite the pandemic, to search for the brightest and most deserving scholars, has not wavered as we continue to help graduating Elementary students become more prepared and equipped in the areas of Science, Math, Technology and English. This is evidenced by the institutionalized activity labeled as "Tulong Dunong" or a knowledge and resource sharing to the depressed areas of the region which are believed to be having promising PSHS scholarship-aspirants but whose potentials were not totally unleashed probably due to lack of resources and opportunities.

Likewise, this activity is a collaborative endeavor of the scholars, alumni, and teachers targeting the poor and deserving graduating elementary school students from the public school system.

In line with this, we would like to request your presence or your designated representative during the online launching of the Tulong Dunong 2020 on October 17, 2020 at 9:30 A.M. Moreover, we would like to request your approval for school heads and/or focal persons on facilitating students' applications in the PSHS National Competitive Exams to also participate in this online activity. Details about this year's National Competitive Exam and Tulong Dunong Activities despite the pandemic will be presented.

Attached is the registration form to be filled out and emailed to [milibutaque@wvc.pshs.edu.ph](mailto:milibutaque@wvc.pshs.edu.ph) not later than **October 14, 2020**. You may also register your participants by clicking this link <https://tinyurl.com/y3szak4l>. The link for this online activity will be emailed to you and to all your recommended participants (30 pax) not later than October 16, 2020. For queries, you may also contact Myrna B. Libutaque through her mobile number 09087099393.

Thank you.

Very truly yours,

  
**SHENA FAITH M. GANELA, PhD**
